Recycling container

PLASTICS

- Plastic bottles, e.g. shampoo bottles
- Trays from meat, fruit and vegetables
- Plastic plant pots
- Plastic lids
- Plastic tubs (e.g. from yoghurt)
- Plastic bags
- Clean soft plastic film
- Bubble wrap

REMEMBER that all plastic from food packaging must be clean and dry. Waste can be placed loose into the container or in a bag which is then placed into the container.

FOOD & BEVERAGE CARTONS

- Milk cartons
- Juice cartons

REMEMBER to empty and rinse them.

METAL

- Food tins
- Beer and soft drink cans
- Foil trays and metal lids
- Bottle caps
- Clean aluminium foil
- Tea light retainers

REMEMBER that tins and other food packaging must be clean (not contaminated with food residue) and dry. Put everything loose into the container.

Emptied
every four
weeks!

PAPER

- Newspapers, magazines and advertising
- Letters and envelopes
- Writing and drawing paper

REMEMBER that paper must be clean and dry. Remove plastic wrappers from magazines before putting them (loose) in the container.

and again from 13.00 - 15.00
Fridays and weekends: CLOSED

Samsø Municipality

Søtofte 10, 8305 Samsø

Telephone: (+45) 87 92 22 00
kommune@samsøe.dk

Find out more about our municipality at:
www.samsøe.dk

Download our app!

Use our app "Affaldsportal".
You can download the app from Google Play or App Store.

You can use the app to:

- Receive notification the day before your waste containers will be emptied so you can manage to move them to the roadside, or if you would like to know when your containers will be emptied
- Order collection of oversize rubbish
- Receive notification if there are interruptions to service in your area, for example if one of our waste collection vehicles has broken down
- Want to complain about the way your waste collection team has dealt with your waste container, or to compliment them for doing a good job
